Click on 'change password'.

On Campus - University Windows PC

- Log on to any university computer
- Press the Ctrl, Alt and Del keys at the same time
- Select Change Password

On Campus - University Apple Mac

- *Note: Staff who primarily use an Apple Mac on campus are advised to change their password on the Mac if possible to ensure the keychain is updated.*
- From the Apple menu, choose System Preferences.
- Click the Users & Groups icon in the System Preferences window.
- Select your user name from the list of users.
- Click Change Password, then follow the onscreen prompts.
- When you change your user account password, be sure to update the Hint field as well, so that the hint makes sense for your new password.
- After changing the password, users must, if the keychain utility prompts to update the keychain, click "Update" or "Update All"

Off Campus

- Change your password here: [change password](#)
